SPAIN 2022 | APRIL 9 - 12, 2022

WHAT IS HABAWABA?

HaBaWaBa is an English acronym that stands for “Happy Baby Water Ball” symbolizing the joy of a child practicing “the sport that is played with the ball in the water”.

The Festival was created by the non-profit association **Waterpolo Development** and was organized for the first time in 2008. So far, it has been held 13 times in **Italy**, with editions also in **Greece, North America and Brazil**, among other countries.

The HaBaWaBa International Festival is the world's largest and most important water polo event for **young players**.

After the first two editions in **Barcelona** and **Reus**, HaBaWaBa Spain moved to Tarragona in 2021, a city where it seeks to consolidate. The 4th edition will take place in the Sylvia Fontana Olympic swimming pool in Tarragona for **Easter, from 9 to 12 April 2022**, with **PortAventura Park** as the main leisure attraction.

PHILOSOPHY

- Enjoy a team sport and **have fun** in and out of the water.
- Promote **fair play**, inclusion, respect and coexistence between children of different cultures and backgrounds.
- Achieve a working environment to **promote water polo** by bringing together children, coaches, family and fans.
- Spread **passion** for water polo across the five continents and, along with it, the noble **values** of sport and co-existence.

Ages

- **U10 (benjamin)** - 2012/13

VENUES

HaBaWaBa Spain 2022 is consolidated in **Tarragona**, a city known for its cultural richness during Roman times. The Festival will take place between three key locations. The competition will take place at the **Sylvia Fontana pool** in Tarragona. Accommodation and recreational activities at the **Campus Educatiu de Tarragona** residence hall. And, on the last day (Tuesday 12), all participants will be able to enjoy a day of pure adrenaline and emotions at **PortAventura Park**.

POOL

The **Sylvia Fontana pool** was the venue for the 2018 Tarragona Mediterranean Games. The competition is played in the 50-meter heated outdoor Olympic pool, where the 4 playing fields are located. The facility is in the Anella Mediterrània, an area with easy access and free parking. The stand has capacity for 800 people.

RESIDENCE

Participants stay at the **Campus Educatiu de Tarragona**. The residence has sports facilities, green spaces, a dining room with its own kitchen, a swimming pool and free parking. An area will be set up for the organization of recreational activities and the HaBaTalent, with a stage and music.

PORTAVENTURA PARK

PortAventura Park is the main theme park of the PortAventura World complex. It consists of 105 hectares distributed in six thematic areas: Mediterrània, Polynesia, China, Mexico, Far West and SésamoAventura. All participants will be able to live a unique experience in the park (Tuesday, April 12) with food included in its restaurants and a great show to end the day.

Dragon Khan, Furius Baco and **Shambhala** are the three star rollercoasters of the park. Experience the pure adrenaline!

The **shows** are one of the great attractions of PortAventura Park.

FUN

HaBaWaBa is **much more than a water polo tournament**. It is a Festival that seeks, beyond the training and promotion component of water polo, coexistence and cultural exchange between participants from all over the world and the dissemination of sport values. It intends to make players, coaches, referees, parents, volunteers and fans have a great time. It's the party of water polo!

HABATALENT

Participants will have to show their talents in and out of the water! With the intention of invigorating and encouraging teams beyond the competition, the **HaBaTalent** was born, a talent contest that was created at HaBaWaBa Spain 2019. Young water polo players will be able to dance, sing, tell jokes, do magic or demonstrate any other of their talents.

DECATHLON ACTIVITIES

On Friday and Saturday afternoon, after finishing the competition, the participants will have at their disposal the most varied **sports activities** in the residence: an inflatable soccer field, badminton nets, surf simulator, skateboard circuit, etc.
