A 6TH EDITION FULL OF NEW FEATURES AND RECORD-BREAKING NUMBERS

HaBaWaBa Spain returns, consolidating itself as the leading water polo event for kids in Spain and one of the most important in Europe. From March 23 to 26, Tarragona will be the focal point for youth water polo development, which promises to be the most thrilling HaBaWaBa event to date.

This edition marks a milestone with a record of 55 teams and almost 900 participants, including players and coaches, ready to compete in over 200 matches spread across 6 playing fields.

One of the big news this year is the new accommodation at the Hotel Caribe in PortAventura World, which opens its doors exclusively for the tournament, offering participants access to the park's rides during their stay, in addition to enjoying water polo and competing.

With the participation of 29 clubs from 6 different countries, including Spain, France, Malta, Portugal, the Netherlands, and Germany, the event represents an international showcase of the sport. Additionally, 7 regions of Spain are represented this year: Andalusia, the Balearic Islands, Catalonia, Ceuta, Madrid, the Basque Country, and Valencia.

The event venue remains the same for the fourth consecutive year, with the Sylvia Fontana pool and PortAventura World as the main settings, promising days filled with water polo, camaraderie, and excitement.

HaBaWaBa's main goal is to foster an atmosphere of respect, passion, and fair play so that all participants can enjoy water polo from an educational perspective.

In addition to competition in the pool, there will be a variety of complementary activities at the residence, including the 'HaBaTalent' talent contest in the evenings and a final day at PortAventura filled with adrenaline and emotion.

Felipe Perrone, one of the world's most renowned players, will be at the event to talk about the importance of sportsmanship based on his experience. He'll also say hi to everyone, take photos, and sign autographs.

Are you ready to live an unforgettable HaBaWaBa experience?

WHAT IS THE HABAWABA?

HaBaWaBa is an English acronym that stands for "Happy Baby Water Ball," symbolizing the joy of a child practicing "the sport with a ball in the water." HaBaWaBa was created by the non-profit association Waterpolo Development, with the goal of promoting the sport and the values of collaboration that go with it. The most effective way of achieving these goals is by bringing the sport to children between the age of 6 and 12, the new generation. With this in mind, the idea of the 'HaBaWaBa International Festival' was conceived and further developed.

Since its creation, the HaBaWaBa International Festival has welcomed participating teams from four continents: Europe, Asia, Africa and America.

The HaBaWaBa format, was designed to accommodate, share and spread the desire to play water polo all over the world. The HaBaWaBa International Circuit has taken the Festival to Canada, Greece, Spain, Brazil, Singapore, Egypt and Belarus.

The first edition of HaBaWaBa Spain was held in 2018 during the 33rd LEN European Water Polo Championships at the Montjuïc Municipal Pool in Barcelona. In its second edition, HaBaWaBa Spain landed in Reus and PortAventura Park from July 2 to 5.

For the fourth consecutive year now, HaBaWaBa Spain will be held in Tarragona. The 6th edition will take place in the magnificent Sylvia Fontana Olympic pool.

VALUES

HaBaWaBa Spain has been created with 4 main ideals:

1. Enjoying a team sport and having a good time in and out of the water.
2. Promoting fair play, inclusion, respect and interaction between boys and girls of different cultures and background.
3. Creating an environment where the promotion of water polo brings together children, coaches, referees, family members and fans.
4. Spreading the passion for water polo in five continents as well as the strong values of the sport.

FAIR PLAY & FUN

The HaBaWaBa is an event for children based on the values of mutual respect, social integration and fair play. Each person involved in the competition (children, coaches, parents, fans, etc.) must take these values into account. The organizing body of HaBaWaBa Spain will present an award called "HaBaWaBa Fair Play Trophy" to reward fair play in both the youngest and juvenile categories. This trophy is intended to prevent bad behaviour and emphasise/promote a positive attitude. In each match, the referees will score the teams based on different criteria and assign an overall score from -4 to +4:

- | | |
|--------------------------------|-----------------------|
| 1. Sport for fun | 6. Sports loyalty |
| 2. Respect for the regulations | 7. Learn from defeat |
| 3. Respect for the opponents | 8. Sports brotherhood |
| 4. Respect towards the referee | 9. Help others |
| 5. No to violence | 10. Set an example |

¡HOLA!
I'M ROCK
& POP

CODE OF ETHICS: To contribute to the values and ethics of HaBaWaBa, the organization has drawn up a Code of Ethics for the Festival, also called the "[Champion Passport.](#)"

FAIR PLAY WORKSHOP

There is no fun if there is no respect. HaBaWaBa cannot simply be defined as a sports tournament. It is an event for children that is based on the ethics and values of the sport, mutual respect, interaction and fair play.

The 'fair play' workshop is a must-attend activity for all teams (players and coaching staff) in which the main values promoted by the Festival will be discussed. This year we once again have the presence of Felipe Perrone, who will share his experience and vision of the values of water polo with the children.

ADAPTATIONS TO BE CONSIDERED

The rules of HaBaWoBa are based on the simplification and adaptation of the official rules of water polo from WORLD AQUATICS (2022 - 2024), designed to meet the needs of the benjamin (U10), alevin (U12), and infantil (U14) categories.

TEAMS, DURATION, AND SCORES

- Each match will consist of 2 periods of 11 minutes each, with a 2-minute interval between halves. There is no possession limit.
- Both in u10 and u12, teams play with 5 field players and 1 goalkeeper.
- The clock runs continuously and only stops if the referee deems it necessary to avoid time losses or in case of interruptions due to injury or unforeseen circumstances.
- The scoreboard will be closed when a 10-goal difference is reached. The rest of the game situations (exclusions, disciplinary actions, etc.) will continue to take effect.
- All matches may end in a draw except for the Finals. If a match requires a winner, a penalty shootout with 3 penalties for each team will be conducted.
- Teams cannot request timeouts under any circumstances.
- Substitutions can be made from the exclusion area at any time. Substitutions from the side ("flying substitution") are not allowed.

GAME ASPECTS

- The penalty influence area will be 5m (the shot from 4m).
- During the match, when teams play with the same number of players, an attacker cannot stand in the area between the posts of the opposing goal and the 5m line for more than 5 seconds without the ball. When the attacker clearly enters this area, the referee will start counting time with a raised hand. After 5 seconds, if the player does not leave the area, the referee will immediately indicate a turnover.
- Zone defense is not allowed at any time during the game. Teams must defend individually (1x1) starting from their defensive half, and only active help on circulation (movement) and 2x1 situations are allowed if the player in possession of the ball is not allowed to shoot. The referee will notify both coaches in the event of a zone defense situation, and if the situation persists, then penalize the player committing the infraction with an exclusion foul.
- Any player may act as a goalkeeper (and vice versa), with the referee's authorization.
- All players listed on the score sheet must participate in the match. Coaches are responsible for ensuring that this rule is followed.

RULES

- The ball will be size 3 For the U10 - benjamin category and size 4 junior for U12 - alevin.
- Only in the U10 category, a player may catch the ball with two hands, but must throw it with one hand.
- Only Fouls resulting from attempting to steal the ball will be considered as simple Fouls. All other Fouls will result in exclusion.
- Re-entry after being ejected will be immediate upon visibly entering the designated area with your head. A player who commits four (4) exclusion Fouls is suspended for the remaining of the match.
- When an attacking player suffers an exclusion or simple Foul outside the 5-meter area, they cannot shoot directly; but they can take the free throw (put the ball in play), pass, or move in any direction and then shoot.

OTHERS

- All players must compete with the team assigned to them according to the roster sent to the organization. Any changes must be consulted with the competition manager beforehand.
- In the group stage, 3 points will be awarded for winning, 1 for a draw, and 0 for a loss. In the event of a tie, the tiebreaker criteria will be:
 - (1) Direct goal average
 - (2) Fewest goals conceded
 - (3) By draw
- All teams will compete wearing the official organization caps, which must be returned at the end of each match.
- After the completion of each match, referees will rate teams based on their behavior and fair play, awarding a minimum of -4 and a maximum of 4 points. The team with the highest score will receive the Fair Play Trophy.
- Any disciplinary exclusion (with substitution or brutality) will be reviewed by the organization to assess if any further ban is warranted.

GENERAL INFORMATION

VENUE: SYLVIA FONTANA

Located in the Anella Mediterrània of Tarragona, the Sylvia Fontana pool was the venue for the Mediterranean Games in 2018. A world-class facility with an Olympic outdoor pool and an indoor 25-meter pool.

The competition takes place on the four fields of the outdoor pool and the two fields of the indoor pool. The outdoor stands will be open to the public and can accommodate around 800 people.

Rambla del Parc, s/n, 43840 Salou, Tarragona
[How to get there >>](#)

ACCOMMODATION: HOTEL CARIBE

Participants are accommodated at the Caribe Hotel in PortAventura World (****), which consists of 14 buildings representing different Caribbean islands within a tropical atmosphere. The rooms are double, triple, and quadruple.

It is an ideal and safe environment for teams to live together and get some rest after the competition. Meal times:

- Breakfast: 7:30h - 10h
- Lunch: 13h - 15:30h
- Dinner: 19:30h - 23h

The teams that arrive earlier (Thursday or Friday) will be accommodated at Hotel El Paso for those first nights.

TRANSFERS

To facilitate travel between the hotel and the pool, teams will have access to a shuttle bus service that will operate throughout the event.

GENERAL INFORMATION

FELIPE PERRONE

One more year, the HaBaWaBa Spain ambassador, Felipe Perrone, will visit us in Tarragona on Sunday evening.

The captain of the Spain Men's National Team and CN Atlètic-Barceloneta will be available to spend time with participants for photos, autographs, and to answer questions.

HABATALENT

The HaBaTalent is back! The 'talent show' of HaBaWaBa Spain that will test our participants out of the water. Dance, theatre, humor, skills, magic... Any talent is good as long as it surprises the public.

Stage, music and fun at the HaBaTalent. Do not miss it!

PORTAVENTURA & FERRARI LAND

In addition to enjoying a full day at PortAventura Park (Thursday 26), this year the teams will have access to the park for all 4 days of HaBaWaBa and will be able to enjoy a day at Ferrari Land.

PortAventura World is one of the best amusement parks in the world and covers 105 hectares spread across six themed areas: Mediterrània, Polynesia, China, México, Far West, and SesamoAventura.

Will there be water available to drink during and between matches?

Yes, the organization will distribute 4 water sources throughout the pool where participants can refill their water bottles. Each player is responsible for bringing their own reusable bottle.

At what temperature is the outdoor pool?

The pool is around 27 C°. However, it is advisable for players to bring a bathrobe to protect themselves from the cold or wind on the bench or before/after each match.

Can the players warm up in the water before matches?

Teams can only warm up outside the pool since there is very little time between matches and the fields will be occupied practically all the time. However, it is recommended to bring a fabric/silicone cap.

How do we get from the hotel to the pool and vice versa?

There will be a shuttle service running at all times included for all participants. It is important for teams to adhere to the schedules provided by the organization.

This service is also available for family members and can be arranged directly at the reception of the Hotel Caribe (you can reserve in advance at Families@biwpa.com). It costs €35 per person for the three days (from March 23rd to 25th), starting from 2 years old. Participants will have priority over family members to use the shuttles.

Can teams eat at any time they want?

Except for breakfast, all teams will have a set time for lunch and dinner based on their competition schedule. It is essential to adhere to it to avoid any delays or disruptions.

On which days can we go to PortAventura? And to Ferrari Land?

Access to the park is open on all days when the teams are accommodated in the hotel. However, Tuesday is the only day when the park can be fully enjoyed, as on other days, the competition schedule takes priority. All teams have one day of access to Ferrari Land included, which they can choose freely.

PortAventura closing times: SAT (20h), SUN (19h), MON (18h), TUE (18h)

Ferrari Land closing times: SAT (22h), SUN (22h), MON (22h), TUE (21.30h)

Do we need to bring our own caps?

No, all teams are required to compete with the caps provided by the organization, which must be returned to the volunteers after each match.

Is there a discount on PortAventura tickets for people who are not staying at Hotel Caribe?

Yes, ask at the BIWPA shop located right at the entrance of the outdoor pool stands (you can reserve in advance at Families@biwpa.com).

Are there changing rooms at the pool?

Yes, there are three female and three male changing rooms, although we recommend teams to come wearing their swimsuits from the hotel due to the large number of participants this year.

Nothing can be left in the changing rooms. The beach-pool area is spacious enough for teams to leave their backpacks in an organized manner. In the indoor pool, backpacks can be left in a bench area with multiple levels.

Is access to the stands free?

Yes, the stands of the outdoor pool (50m) have direct access from the parking lot and can accommodate 800 people. It is entirely outdoors, so we recommend bringing accessories to protect against the sun: sunglasses, hats, umbrellas, tents...

To watch matches in the indoor pool (benjamin category), it is necessary to access through the main reception to the first floor. Fields 5 and 6 can only be viewed through glass.

Access to the competition area and beach-pool area is strictly prohibited to anyone who is not a participant (coach or player).

Will there be a lost and found area?

Yes, there will be an area located at the pool, inside the BIWPA store, right at the entrance to the outdoor stands. And there will be another area at the Caribe Hotel, next to the reception.

Is there parking at the hotel? And at the pool?

The pool parking is free and located right in front of the two competition pools. As for the Caribe Hotel, all participants and family members staying there have free parking included.

Access to the Caribe Hotel is completely independent of the park's access, so there is no cost to pick up/drop off players at the hotel.

Will there be a medical service at the hotel and at the pool?

All participants have group insurance. In addition, during the competition, there will always be lifeguards available to provide first aid if necessary.

When can we check-in at the hotel?

Teams arriving on Saturday can check-in at Caribe Hotel starting from 9h.

Teams arriving earlier (Thursday or Friday) will be accommodated for those first nights at El Paso Hotel and can check-in starting from 15h.

Check-out is at 11h in all cases, but teams can leave their luggage at the hotel's luggage storage to enjoy the park without stress.
